NAVPEN CIRCULAR NO 03/2020
ENDORSEMENT OF SPOUSE DATE OF BIRTH IN E-PPO – SAILORS

1. Revision of pension of Pre-2016 pensioners under 7th CPC Notional Pay Fixation method is being carried out by PCDA (N) Mumbai. The E-PPOs received from PCDA (N) Mumbai are being hosted on NAVPEN website for ex-sailors to check and correct the data where required.

2. A large no of complaints are being received from ex-sailor complaining about incorrect DOB of spouse in these E-PPOs. An advisory is already hosted on NAVPEN website on the action to be taken by those ex-sailors who have a Corrigendum PPO issued by PCDA (N) Mumbai with their spouse's DOB endorsed correctly.

3. The discrepancy/ mismatch in spouse's DOB is due to PCDA (N) Mumbai not having the DOB in DD/MM/YYYY format in their records. Most of the old PPOs issued by PCDA (N) has either Spouse's Age or Year of Birth endorsed there instead of actual DOB. Therefore, while generating these E-PPOs, PCDA (N) Mumbai has taken the last day of the year (based on age or year of Birth in their records) i.e 31 Dec YYYY as the DOB of spouse. An example of the same is given below: -

Actual Date of Birth of Spouse	- 09.09.1944
Date of ex-sailor's release from Service	- 30.06.1980
Spouse's DOB reflected in Original PPO	- 36 Yrs or 1944
DOB of Spouse reflected in E-PPO	- 31.12.1944

4. For those ex-sailors whose spouse's DOB is correctly reflected in NAVPEN records but don't have a corrigendum PPO to submit as proof are required to forward the following documents to NAVPEN for initiating claim for issuance of Corrigendum PPO: -

- Duly completed Appendix- 'A' forms in triplicate (copy enclosed)
- Front page of Bank Passbook with Pension Account/ PDA/DPDO/Treasury Office details
- Copy of spouse's Aadhaar Card
