Sir/Madam,

I am Rajeev Kumar Tewary, Ex-LS, 136637-R want to thank Indian Navy who have given me everything in my life. I have applied for ECHS card last year after my retirement from Navy (1 Aug 2018). I didn't know that after online fill up I have to got it verified from CABS. My wife is 3 months pregnant and I thought it is now impossible to get my ECHS card/ ty slip generated before delivery of my wife. But still I called CABS. To my surprise I called Raj Laxmi madam on 17 Jun and my Ty slip got generated on 19 th Jun. I was very happy ( including my parents, brother). My mother told me " you served the best force of India". I am sure no other authority solves problems so fast. I after retirement joined as a Joint Block Development Officer in government of West Bengal. But now I can say that Indian Navy is the best service. Thanks sirs/ Madams everyone of CABS.

From one of veterans of Indian Navy
